HONORING THE MARIA  
KONOPNICKA POLISH LANGUAGE  
SCHOOL OF CHICAGO AND OAK  
LAWN, ILLINOIS ON ITS 40TH AN-  
NIVERSARY

**HON. DANIEL LIPINSKI**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 19, 2013*

Mr. LIPINSKI. Mr. Speaker, I rise today to recognize the Maria Konopnicka Polish Language School in Chicago and Oak Lawn, Illinois. This year the school will celebrate its 40th anniversary.

Chicagoland is home to the largest population of people of Polish descent living outside of Poland. The Polish Language School, named for the great Polish poet, novelist, and activist, Maria Konopnicka, serves this population by offering kindergarten through high school students the opportunity to connect with and explore their Polish heritage. For forty years the school has excelled in teaching its students Polish language, history, and culture. Thousands of children have learned about Polish cultural heritage as well as the role Poles play in the United States and the world community, now and in the future. With its emphasis on civic responsibility, the school shapes students dedicated to supporting and improving Chicago's communities, and I am proud to have it in my district.

While the school stresses the importance of its students, the community surrounding the school appreciates the hard work and dedication of all the staff at the Maria Konopnicka Polish Language School. Parents and students understand the school's success is thanks to the unceasing devotion of teachers and administrative staff who work relentlessly for the benefit of the students.

Mr. Speaker, I ask my colleagues to join me in recognizing the outstanding faculties and students, both past and present, at the Maria Konopnicka Polish Language School, and congratulating them on this special 40th anniversary. May the school continue to exhibit excellence in teaching students about Polish cultural heritage and language for years to come.

HONORING THE BEAR CREEK BOYS  
SOCCER TEAM

**HON. SUZAN K. DELBENE**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 19, 2013*

Ms. DELBENE. Mr. Speaker, I rise today to honor the 2013 Bear Creek High School boys soccer team. On November 23, the Bear Creek Grizzlies won the 1B/2B state championship, ending their impressive season with a record of 21–2–0. I congratulate them on this impressive achievement.

This championship victory was especially fulfilling for Bear Creek High School because it settled a rivalry between them and Grace Academy. The Grizzlies' only two losses during the season were to Grace Academy, with both of those games ending in 0–0 draws and decided by penalty kicks. Tied 0–0 at halftime, the Grizzlies would not let history repeat again, and they came together to win the state championship game by a score of 2–0.

I would like to give special recognition to Jesse Leuenberger and Nathan Sim who scored the two goals of the state final. Goalkeeper Blake Denniston also played a pivotal role in the final game, earning a shutout in the championship game.

The Grizzlies' defense racked up 16 shutouts this season and the offense outscored its opponents by 87–7.

The Grizzlies' impressive record this season is also a testament to the team's high level of coaching. Coach Chad Pohlman provided the boys with encouragement and training necessary to achieve this notable feat.

Again, I congratulate the Bear Creek boys soccer team on all of their success. Their accomplishments and success are hard-earned and well-deserved.

IN RECOGNITION OF ANGELA  
SANFILIPPO AND J.J. BARTLETT

**HON. WILLIAM R. KEATING**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 19, 2013*

Mr. KEATING. Mr. Speaker, I rise today to recognize Ms. Angela Sanfilippo and Mr. J.J. Bartlett, this year's recipients of the Offshore Mariners' Wives "Friends of the Fishing Industry" awards.

In late 1994, a group of people got together and formed an organization called the Massa-

chusetts Fishermen's Partnership. The name was fitting, as it truly has been an organization or partnership of as many as eighteen distinct fishing organizations from throughout the state. The group's founders soon recognized the strong need for comprehensive health care for fishermen and their families.

One of the original founding members of the MFP and one of this year's award recipients is Mrs. Angela Sanfilippo. Ms. Sanfilippo is well known throughout the industry. For thirty-seven years she has been a constant crusader for the fishermen of Gloucester in her role as the President of the Gloucester Fishermen's Wives Association. She has battled to prevent the drilling for oil on Georges Bank and to keep The Stellwagen Bank National Marine Sanctuary open to fishing, both commercial and recreational. Her many years of dedicated service to the local fishing industry have been invaluable to its success.

This year's second recipient of the "Friend of the Fishing Industry Award" was Mr. J.J. Bartlett. For twenty years he has served as the focal point of the "Fishing Partnership's Health Plan" and has worked tirelessly on creating and providing affordable, comprehensive health care for fishing industry families. In 2008 the Boston Business Journal named him a "40 under 40" honoree, and in 2009 he testified on rural health issues and hard to reach populations at the request of the White House Office of Health Reform. The Fishing Partnership under the guidance of Mr. Bartlett now provides access to professional counseling, assistance with health insurance applications, and offering Safety at Sea Training. The Fishing Partnership has now become the Human Resource Department for the Massachusetts fishing community.

Mr. Speaker, I am proud to honor Ms. Angela Sanfilippo and Mr. J.J. Bartlett, this year's recipients of the Offshore Mariners' Wives "Friends of the Fishing Industry" awards. I ask that my colleagues join me in thanking them for their service to the local Massachusetts fishing industry.

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Michelle Claymore for her outstanding service and commitment to our community.

Michelle Claymore's enthusiasm for Jefferson County's economic vitality is both evident and contagious. Michelle's innovative business incentive structure was instrumental in attracting the Coleman Company's corporate headquarters to relocate to Jefferson County in 2011. Understanding the importance of professional development, she started and runs the first nationally accredited economic development training program in Colorado. The program has trained over 200 students so far. Her passion for the county, its businesses and its citizens knows no bounds.
